Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. What were the historical circumstances that lead to Nehemiah, a Jew, living in Susa? See 2 Chronicles 36:15-23.
2. When Nehemiah received a report back from his brother about the condition of Jerusalem, he was very disturbed. Why? Have you ever been moved to action by seeing an unmet need?
3. What are some of the unfinished things in your personal life, your family, your job, your ministry, etc? Make a list and begin to prioritize them.
4. If you could be used by God to accomplish something very significant for His kingdom this year, what would it be?
