# REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Do you ever wonder why God calls us to pray and then waits to give us the answer? See Col. 4:2; 1Thes. 5:16-18. What did Nehemiah do while he was waiting for an answer?
2. Have you ever heard someone say that faith and planning/goal setting are incompatible? How would you answer them based on the life of Nehemiah?
3. Think about the great miracles of the Bible. How many of them involved no human effort whatsoever? Compare that to how many included a human element.
4. What opportunities do you have to encourage other people to join in the miracles God is doing at HCBC? Why is this so important for their sake?

Memory Verse:

"I also told them about the gracious hand of my God upon me and what the king had said to me. They replied, 'Let us start rebuilding.' So they began this good work."
