REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Review the first six chapters of Nehemiah and make a list of all his leadership skills that you observe. Which of these skills do you possess? How are you using them?
2. Do you struggle with fear? What “fears” cause you the most difficulty? How does the Bible tell you to overcome fear?
See Phil. 4:6-8
3. Several of Nehemiah's associates tried to deceive him. What are some ways to discern truth and keep from being led into error?
4. In just 52 days, Nehemiah completed the wall. Describe a project that you participated in that seemed impossible at the outset. What are you working on with God?

Memory Verse:

When all our enemies heard about this, all the surrounding nations were afraid and lost their self-confidence, because they realized that this work had been done with the help of our God.
