REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. What are some of the common sense principles of management that we see in chapter 7? After the wall is built, people become the priority. Why?
2. Why did Nehemiah appoint additional leaders? What selection criteria did he use? How would you apply that to your leadership?
3. Nehemiah listened to God. How do you incorporate listening to God in the practical decisions of your life? Why is worship so important?
4. What are some of the signs that you would look for in a committed person? Why is money such a clear indicator of commitment? See Matt. 6:19-24

Memory Verse:

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight."

Proverbs 3:5-6
