REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Just for fun, review each of the 5 lists in Nehemiah. What is the purpose of each list? Why is it important for a leader to recognize those who do the smaller jobs? See 3:1-32, 7:1-7, 10:1-27, 11:3-36, and 12:1-26.
2. What were the two methods used to secure the population for Jerusalem? See 11:1-2. How do you think these methods would go over in our church today?
3. What motivates you to want to serve God in ministry? Do you see the significance of what you do in the overall goal of reaching Austin?
4. Make a list of all the different ministries that are taking place throughout our church. Try to identify one or two people who are in "low profile" roles and thank them.

Memory Verse:

**God is not unjust; he will not forget your work
and the love you have shown him as you have
helped his people and continue to help them.**
