REALife Application

REALife Application

This section is designed to be used during the week to focus on the biblical truth in this message. Some of our REALife Groups may be using these questions this week for further study, reflection, and application.

1. Where do you find yourself on the age and stage of the life spectrum? Would you be closer to the "seasoned saints" or "strapping youth"?
2. What are some of the characteristics of both younger and older people that cause them to have conflict? How does that diminish both groups in the church? See 1 Tim 4:12; Peter 5:5-6.
3. What were some of the things Rehoboam's elders knew that his "youngers" didn't? What is one great piece of wisdom that you received from an older person?
4. Think of some ways that the church can strengthen the bonds between the generations.

Memory Verse:
