REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. What, in your mind, is a servant? How do you feel about being a servant of Christ? How does this differ in any way from how you feel about being a servant of others?
2. Someone has said, "The child of God works not *for* life but *from* life; he does not work *to be* saved, he works *because* he is saved." Describe in your own words what this means.
3. Spend some time reflecting on Philippians 2:1-11. What can we learn and apply about humble service from this passage? Be specific.
4. Choose one of the three application points from this message to focus on this week. Spend some time in prayer, asking God to give you some direction regarding action steps. Write them down and, where appropriate, share them with someone for personal accountability.

Memory Verse
