REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Is faith more of a "feeling" or an "action"? Read Heb. 11:1,6 and then read some of the examples in chapter 11 to determine your answer.
2. Joseph demonstrated unwavering faith in his dreams. What would have happened if he had kept his dreams to himself? Are you keeping your "God dreams" to yourself?
3. What is the "object" of your faith? What would your family, friends, co-workers, and fellow students, say about you?
4. Jesus promised his presence and power (Matt. 28:19,20; Acts 1:8) to those who witness and make disciples. Do you live as if this promise is true?

Memory Verse:

**Now faith is being sure of what we hope for and
certain of what we do not see.**
