REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Evaluate your current motivation to grow. Are you fairly happy with your growth to date? Do you yearn to become more like Jesus?
2. What is the danger of trying to "do life" apart from God? See Romans 1:18-32. Is God directing your life today?
3. What do you learn about the world God created from Genesis 1 and 2? What do you learn about God's role and our role?
4. What is one impression from this message that you can apply in your life this week?

Memory Verse:

His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires.
