REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Review the key truths from our study of Genesis 1-2. What were the benefits Adam and Eve experienced from living in a world designed by God?
2. Study the strategy of Satan to confuse and tempt Eve in Genesis 3:1-5. What do we know about Satan? See John 8:42-47. What are some of Satan's lies that we tend to believe?
3. Eve feels complete justification in disobeying God even though she knows it's wrong. Give an example of a time when you justified a wrong attitude or action.
4. Look at the chart on the life of the "little god." Do you see any of these tendencies in yourself? Which ones?

Memory Verse:

"Then, after desire has conceived, it gives birth to sin; and sin, when it is full-grown, gives birth to death."

James 1:15
