REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. How often do you reflect on the direction of your life?
When was the last time you made a major shift in your focus?
2. Why is repentance a necessary component of real change?
See Luke 13:1-5; Acts 17:30. How have you seen your direction change as you have come to know Jesus?
3. Why is following Jesus so costly and yet so freeing? See 2 Corinthians 6:4-10. Try to give specific examples from your own experience.
4. Are you looking at the kingdom of God as something to add or to enter? What are evidences of real surrender in your life?
