REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

1. Take a moment to go outside and look at nature. What does it tell you about God? List as many characteristics as you can.
2. Some people think that science and scientific study is a threat to the Bible. Why is that line of thinking incorrect? What are some things that we learn from scientific study that point to God's glory?
3. God has given us His Word to be an instruction manual for life. See Psalm 119: 9, 11, 33-40, 105. How do you get His Word into your life?
4. Are you a testimonial voice to communicate God's glory to others? How could you strengthen that voice?

Memory Verse

*Blessed are they whose ways are blameless,
who walk according to the law of the LORD.
Psalm 119:1*
