# REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

- 1) How good are you at listening? Would your friends and family agree? What are some things you could do to improve your listening to others and to God?
- 2) Proverbs 3:5 tells us to, “lean not on your own understanding.” What are some current issues in your life where you need to trust God and obey Him rather than your own plan?
- 3) Who are the people that God has placed in your life to guide you to His wisdom? How do you get His wisdom from them?
- 4) God has given us His Word (Psalm 119:105) and His Spirit (John 16:13-14). What are you doing to gain wisdom from these sources?

## **Memory Verse**

*Trust in the Lord with all your heart and lean not your understanding; in all your ways acknowledge him, and he will make your paths straight.*
