REALife Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or REALife Group.

- 1) As you look at the way Jesus and the disciples approached people, would you say you are a consumer of the city or a Christian for the city?
- 2) What are some examples of the way people express their spiritual thirst? What are some questions that you could use to engage those people?
- 3) Read Romans 1:16-17 and 2 Corinthians 5:17. What examples have you seen of the power of the gospel?
- 4) What will you do to engage the city with God's transforming power?

Memory Verse
