# My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

- 1) When you first heard about the shooting in Newtown, what was your reaction? Have you ever come close to a human tragedy like this? Explain.
- 2) If you had the chance to be God for a day, when would you intervene and when would you allow people to make their own choices?
- 3) What is your current understanding of Satan? Why is his presence in the world so hard to accept? How does he work to destroy our lives?
- 4) Are there any destructive lies that have been going through your mind lately? What can you do to focus your thoughts on the truth?

## Memory Verse
