My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

- 1) What does “repentance” mean? What are some common misconceptions about repentance? Compare the idea of repentance to the idea of belief.
- 2) What are some common misunderstandings about God, sin, Jesus and self? Try to make a list of these. Why is it important to know a person’s misunderstanding of these things?
- 3) What is the truth about God, sin, Jesus and self according to the Bible? How do we best communicate this truth to people today?
- 4) Do you consider yourself a missionary? What would it take for you to become one?

Memory Verse
