# My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. If you have children, describe your experience parenting them. If you don't have children, describe your experience being parented.
2. Think about the experience of being exasperated (see Ephesians 6:4). What are the irritations of the five parenting approaches that build to exasperation?
3. Of the three ways we inspire our children, which one comes easiest for you? Which come hardest?
4. Whether you're a parent or not, look at the steps for starting fresh. Is there an area in your life where you can apply these steps? Explain and take action.

## Memory Verse

*"Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord."*
