My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Based on your conversations with people, what factors shape their belief or nonbelief in God? What has shaped your beliefs?
2. Based on the Bible, where should people begin in their search for God? See Romans 1:18-20; Psalm 19:1-14.
3. Think about the nature of the universe and the nature of humanity. What are some of the clues you find for God in these?
4. Describe a time when you diligently sought to connect with God? What happened?

Memory Verse

“For since the creation of the world God’s invisible qualities – his eternal power and divine nature – have been clearly seen, being understood from what has been made, so that men are without excuse.”

Romans 1:20
