My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. When you think about the church, what comes to mind? How does that compare to what God says in Eph. 1:22; 2:19-22; 3:8-11?
2. How do you feel our church is doing in changing the world? Do you feel that you are personally contributing to that? Read through the One Mission Guide and see what part you are most excited about.
3. How important is it to invest financially in the ministry of the church? How does giving help to accomplish the mission? How does giving help you grow personally? See 2 Cor. 8:7; Luke 6:38.
4. Evaluate this statement: "God has chosen to use people to work out His purpose in the world." Then complete this sentence, "If all God's people followed my example the church would....."

One Mission Memory Verse

"Give and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you."

Luke 6:38
