Enjoy Your Thanksgiving

1 Timothy 4:1-5

A war is raging to sabotage your faith.

The war often revolves around basic things.

Life-giving faith is restored by practicing thanksgiving.

Application:

1. Rid yourself of things that can't prompt worship.
2. Give thanks before consuming.
3. Give thanks for what you have before acquiring something new.

# My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

- 1) Do you recognize the spiritual battle raging for your very life? How do you experience this personally? See Ephesians 6:10-13; 2 Corinthians 10: 3-5
- 2) Explain how you personally connect the common issues of your daily life with your relationship to God. Is that difficult for you? For example, how does buying, owning, and driving a car connect with your relationship to God?
- 3) Use a concordance to look up “thanks, thankfulness, and thanksgiving” in the Bible. What do you learn from this overview?
- 4) How will you practice thanksgiving this week? What will make this year better than others?

## Memory Verse

“For everything God created is good, and nothing is to be rejected if it is received with thanksgiving, because it is consecrated by the word of God and prayer.”
