My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1) Thumb back through the book of Hebrews looking at the major themes. What have you taken away from this book and what changes have you made?

2) How would you tend to describe your identity? Read 13:10-14. What will identifying with Jesus look like for you in today's culture?

3) Money and sex seem to be major temptations and distractions for us. Read Hebrews 13:4-6. What are some practical takeaways from these instructions?

4) What does it look like to submit to your leaders? See Hebrews 13:17. Can you give some specific examples of how you follow church leaders and the benefits you've received?

Memory Verse

"And without faith it is impossible to please God, because anyone who comes to God must believe that he exists and that he rewards those who earnestly seek him."
