

“O you who believe! Obey Allah, and obey the Apostle, and those charged with authority among you. If you have a dispute in a thing then refer it to Allah and His Apostle, if you are believers in Allah and the Last Day: That is best, and very good in the end.”

Qur'an 4:59

“He who is stubborn against the Apostle after Allah's way has been made clear to him, and then follows a way other than that of the believers, We shall assign for him what he has chosen. We will burn him in the fire of Hell: an evil destination.”

Qur'an 4:115

“In other words, from the beginning, in the ummah’s mission—it wasn’t simply proclaiming this one god, it was also coercively enforcing submission to a Sharia law.

The world was divided in Muslim thought into two: There is the *dar al-salam*, the region of peace, and there is the *dar al-harb*, the region of war.”

Missional Approach to World Religions

“For that cause we decreed for the Children of Israel that whosoever killeth a human being for other than manslaughter or corruption in the earth, it shall be as if he had killed all mankind, and whoso saveth the life of one, it shall be as if he had saved the life of all mankind.

Our messengers came unto them of old with clear proofs (of Allah's Sovereignty), but afterwards lo! many of them became prodigals in the earth.”

Qur'an 5:32

“The only reward of those who make war upon Allah and His messenger and strive after corruption in the land will be that they will be killed or crucified, or have their hands and feet on alternate sides cut off, or will be expelled out of the land.

Such will be their degradation in the world, and in the Hereafter theirs will be an awful doom; Save those who repent before you overpower them. For know that Allah is Forgiving, Merciful.”

Qur'an 5:33-34

“It is simply undeniable from these definitions that in every Islamic legal school jihad means military operations to fight non-Muslims to spread Islam.

Remember that Muslims are required to perform *taqlid*, to follow the teachings of a particular legal school...so every Muslim ought to understand the military definition of jihad."

Daniel Akbari, "Honor Killing", pg. 38

"Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them (captive), and besiege them, and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful."

Qur'an 9:5

“The Ambassador answered us that it was founded on the Laws of their Prophet, that it was written in their Koran, that all nations who should not have acknowledged their authority were sinners,

that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as prisoners, and that every Musselman who should be slain in battle was sure to go to Paradise.”

“You have heard that it was said, ‘Love your neighbor and hate your enemy.’ But I tell you: Love your enemies and pray for those who persecute you, that you may be sons of your Father in heaven. He causes his sun to rise on the evil and the good, and sends the rain on the righteous and unrighteous.

If you love those who love you, what reward will you get? Are not even the tax collectors doing that? And if you greet only your brothers, what are you doing more than others?”

Matthew 5:43-47
