My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. In what way is the United States Christian? In what way is the United States secular? What tensions are created by this? How are they best resolved?
2. Do you believe in natural law? Why or why not? See Romans 1:18-20 and 2:14-15. How does a belief/non-belief affect our future as a country?
3. Who is the real “boss” of our country? Why did the Founders pick this type of “ruler”? See Deuteronomy 17:18-20.
4. Grade yourself as a citizen on a scale of 1-5 with 5 being outstanding. What is one thing you could do this week to improve your citizenship?

Memory Verse

“if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.”

2 Chronicles 7:14
